

Top 10 Reasons to Attend Star of the Sea Catholic School

Hey everyone! It's me, Charlye Levine. Today I am going to read my top 10 reasons to attend Star of the Sea. I am going to start with reason number 10 and work my way backwards to number 1.

Reason number 10 is that SOS provides amazing lunches prepared by Mrs. McNabb and that we have a clean school thanks to Mr. Lyle and our awesome nurses.

Reason number 9 is that we have a music program. We may not all be musicians but we can learn to make pretty great music with guidance from our teacher. We aren't judged by our skill level and those who want can share their talents.

Reason number 8 is that we are given the opportunity to express ourselves through art in art class. It is a creative outlet and another way to share our talents with others.

Reason number 7 is that technology is used in the classroom and at home. We are taught how to type, make slideshows, and utilize technology.

Reason number 6 is that we have many sports teams and an emphasis in athletics. We all have talents and we all need exercise, so sports are very beneficial.

Reason number 5 is our super cool teachers who love and care for all of us. They want us to succeed and are always willing to go the extra mile to help us out.

Reason number 4 is you, my classmates and fellow students. You make everyday an adventure and i never know what to expect, I just know it will be good.

Reason number 3 is religion class and how we learn about our faith in other classes as well. God is the reason for everything and is incorporated into every aspect of our lives.

Reason number 2 is that we have Mass every Thursday. It is easy to get caught up in everyday life, so setting aside time for God is something I truly appreciate.

The number 1 reason to attend Star of the Sea School is that you become part of a family. At Star of the Sea you always have somebody to lean on and a shoulder to cry on. It is a community like no other and I am grateful that I am a part of it.
